Re: Yukon Energy Corporation Interim Fixed Charge Adjustment and Rate Schedule 39

Dear Mr. Buchan:

The Yukon Utilities Consumers' Group (UCG) received Board Order 2021-07 with procedure regarding the above issue. This Order states: On March 23, 2021 YEC filed a limited scope application with the Board for a Rate Schedule 39 Fixed Charge Adjustment for service to VGC Mine Site and Alexco Mine and Mill Sites.

In an attempt to get further information on this, UCG reviewed Board Order 2018-04 and IR YUB-YEC-1-23(b), both of which YEC reference. Either of these give mention of a limited scope application.

Accordingly, UCG files the following **Notice of Motion**:**That the Yukon Utilities Board (YUB) clarifies exactly what is included in the scope of this process and does not let Yukon Energy set their terms.**

Regards,

Roger Rondeau
