BOARD ORDER 2013-04

WHEREAS:

- A. In Order 2013-01, dated March 25, 2013, the Yukon Utilities Board (YUB or Board) ordered:
 - 1. The Board directs YEC to provide a compliance filing to the Board within 30 days of the issuance of this Order in accordance with the directions set out in the Reasons for Decision (Appendix A attached to Order 2013-01); and
 - 2. The Board approves the 2012 and 2013 revenue requirement for YEC with the changes directed in the Reasons for Decision (Appendix A attached to Order 2013-01);
- B. On May 1, 2013, YEC filed with the Board its compliance filing with respect to its 2012-13 General Rate Application (GRA);
- C. On June 17, 2013 the Board issued Order 2013-03 whereby the Board rejected certain aspects of YEC's compliance filing for revenue requirements for 2012 and 2013. In Appendix A (Reasons for Decision) to that decision the Board provided reasons for rejecting YEC's proposed Riders R and J and directed YEC to provide a compliance filing to Board Order 2013-03 within 10 days of release of that order. In the compliance filing referred to in Board Order 2013-03, YEC was to change the amortization period of three deferred projects (Atlin, geothermal and waste-to-energy) from five years to 10 years as directed in Board Order 2013-01, and then resubmit the application for approval;
- D. YEC filed a compliance filing in response to Board Order 2013-03 on June 20, 2013;
- E. As no interveners took issue with the amortization period for the three deferred projects on which the second compliance filing was directed, the Board did not seek comments on the second compliance filing;

F. The Board has reviewed YEC's second compliance filing for its 2012 and 2013 revenue requirement; and

G. The Board considers that YEC has met the direction in in Board Order 2013-03.

NOW THEREFORE, the Board orders as follows:

1. The Board approves YEC's request to set an ongoing Rider J at 11.01% for all non-industrial retail firm rates and 7.36% for industrial firm rates effective July 1, 2013, applicable to all YEC and YECL firm retail and industrial rates, including fixed Rider F and fixed monthly payments for major industrial rates. All YECL recoveries from this rider will flow through to YEC. The changes to the rider will be applied to all consumption on and after the July 1, 2013 effective date.
2. The Board approves a time-limited Rider R of 3.62% to be in effect from July 1, 2013 to June 30, 2014, applicable to all YEC and YECL firm retail and industrial rates. All YECL recoveries from this rider will flow through to YEC. Effective July 1, 2014, Rider R will be set to zero. The changes to the rider will be applied to all consumption on and after the effective dates (July 1, 2013 and July 1, 2014 respectively).

DATED at the City of Whitehorse, in the Yukon Territory, this 24th day of June 2013.

BY ORDER
