**BOARD ORDER 2014-10**

**WHEREAS:**

- A. In Appendix A to Board Order 2013-03, the Yukon Utilities Board (Board) directed Yukon Energy Corporation (YEC) to provide a revised Diesel Contingency Fund (DCF) proposal. The Board further clarified:

YEC may file a future revised DCF and ERA [Energy Reconciliation Adjustment] application. The [Board] prefers a joint filing from YEC and YECL. However, if agreement cannot be reached, a filing in which the companies state which aspects of the revised DCF proposal and ERA amendment they agree upon, the aspects they disagree upon, and the position of each company on those aspects they disagree upon is acceptable. The filing must also address the concerns raised in Board Order 2013-01 Attachment A: Reasons for Decision. This future revised DCF proposal and ERA application will be separate from the compliance filing directed in this order.
- B. On January 31, 2014, YEC filed its revised DCF and related ERA amendments application. YEC also informed the Board that YEC and YECL were not able to agree on a joint filing and each utility would be filing its position separately. On the same day, YECL filed its proposals regarding the DCF and ERA.
- C. The Board issued Board Order 2014-08 on June 20, 2014, in which the Board revised the proceeding schedule outlined in Board Order 2014-07, pending ministerial approval.
- D. The Board received a request for intervener status from the Utilities Consumers' Group (UCG) dated May 17, 2014.

E. In correspondence dated July 10, 2014 from the Minister of Justice, the Board received approval to proceed with a written hearing.

F. The Board has considered UCG's request for intervener status.

**NOW THEREFORE** the Board orders as follows:

Intervener status is granted to UCG for this proceeding.

**Dated** at the City of Whitehorse, in the Yukon, the 29<sup>th</sup> day of July 2014.
