The Total of 9.75 hours, multiplied by \$35 (the suggested hourly rate for non-legal Intervenor Costs, as stated in Appendix A to Board Order 2006-7), gives \$341.25. YCS recognizes that the YUB is free to alter this amount, dependant upon the value the Board considers YCS's intervention to have been.

If further clarification or explanation of YCS Intervenor Costs is required, please contact the undersigned.
