Attention: Mr. Bruce McLennan, Interim Chair

**Re: Quarterly Adjustment to Secondary Sales Rates as of April 1, 2010**

Pursuant to Rate Schedule 32 Secondary Energy (as approved in Board Order 2005-12), the following sets out the quarterly adjustment to the Secondary Energy rate effective for bills issued on or after April 1, 2010.

***April 1, 2010 Rate Determination***

As outlined in Rate Schedule 32, the Secondary Energy rate for April 1, 2010 is based on the published Yukon Territorial Government – Bureau of Statistics biweekly price for Furnace Oil in Whitehorse for the three reporting periods prior to the 20<sup>th</sup> day of February 2010. The lowest value of the three (net of GST) is the “Oil Price Index”. The three reported values (including GST) are as follows:

January 13, 2010 = \$ 1.027 /litre  
January 27, 2010 = \$ 1.02 /litre  
February 10, 2010 = \$ 0.994 /litre

Consequently the Oil Price Index for the April 1, 2010 rate is 94.67 cents/litre (the February 10, 2010 value of 99.4 cents/litre less the GST included in that value). An Oil Price Index of 94.67 cents/litre equals a Secondary Energy price of 6.6 cents/kW.h (compared to the January 1, 2010 revised price of 6.4 cents/kW.h) and results in a Rate Schedule 43 Wholesale Secondary energy price of 5.5 cents/kW.h (compared to the January 1, 2010 revised price of 5.3 cents/kW.h).

***Notification of Interested Parties***

Rate Schedule 32 provides that the Secondary Energy Charge is to be filed with the Board at least 30 days in advance of the Rate Period. As with past notifications regarding the rate change Yukon Energy is providing Yukon Electrical Company Limited with notification of quarterly rate changes at the same time as notice is sent to the Board. Retail customers will be notified by a billing advisory message which will appear on their monthly bills.

Sincerely,

A handwritten signature in black ink, appearing to read "H. Campbell". The signature is fluid and cursive, with the first letter of each word being capitalized and prominent.

Hector Campbell, P.Eng, MBA.
