Attn: Mr. Bruce McLennan, Chair

Dear Mr. McLennan:

Re: Board Order 2013-02 Yukon Electrical Company Limited (YECL) Request for Interim Refundable Rates in their 2013-2015 GRA

In their 2013-2015 General Rate Application (GRA) YECL outlines their request for interim refundable rate Rider R of 6.5% to be applied to all retail and Major Industrial customer rate classes for consumption on or after July 1, 2013. Supporting information indicated that this Rider would collect about 50% of the revenue increase requested for 2013.

I support the requested interim refundable rate Rider R proposed by YECL to be applied to consumption on or after July 1, 2013 as described by YECL in their GRA.

Regards,

John F. Maissan, P.Eng.
