Dear Ms. Smart:

Re: Board Order 2010-1 - Request for The Yukon Electrical Company Limited (“Yukon Electrical”) to be granted intervener status in The Yukon Energy Corporation’s “Application for an Energy Project Certificate and an Energy Operation Certificate regarding the Proposed Mayo Hydro Enhancement Project (MayoB)”

Pursuant to Board Order 2010-1, Yukon Electrical requests the Board to grant Yukon Electrical intervener status in the aforementioned application.

- i) Attached is an issues list that Yukon Electrical intends to pursue during the process established by the Board for this application.
- ii) Yukon Electrical also confirms that it will utilize the services of Bennett Jones LLP and specifically Mr. Loyola Keough of Bennett Jones. Mr. Keough has appeared before the Board on numerous occasions and his qualifications are well known to the Board. A retainer letter is also attached as requested in the Board Order.
- iii) Yukon Electrical cannot determine at this time whether it will file any evidence in this proceeding until the responses to Information Requests are received and, accordingly, reserves the right to do so if the circumstances warrant such a filing.

Should you have any questions regarding the above please do not hesitate to contact me at (867) 633-7003.

Sincerely,

THE YUKON ELECTRICAL COMPANY LIMITED
