Re: Application by Yukon Energy Corporation for an Energy Project Certificate and an Energy Operation Certificate regarding the Proposed Mayo Hydro Enhancement Project (Mayo B)

Dear Ms. Smart,

The Yukon Conservation Society is applying to the Yukon Utilities Board for Registered Intervenor status in the above referenced matter.

As per the Yukon Utilities Board Order 2010-1 the Yukon Conservation Society supplies the following information:

- i) The Yukon Conservation Society is intervening to address environmental concerns in the Mayo B project. These include, but are not limited to, the following:
 - water levels at Mayo Lake and associated issues regarding fisheries and wetlands
 - water flows on Mayo River between Mayo Lake and the Wareham Dam and associated issues regarding fisheries
 - water flows downstream from the Wareham Dam and its implications on Mayo Lake water levels
- ii) the Yukon Conservation Society does not at this time intend to hire legal counsel and/or consultants. YCS reserves the right to engage legal counsel and/or consultants at some future date for the above referenced hearing. If such a contingency occurs, every effort will be made by YCS to inform the Board as soon as possible.
- iii) the Yukon Conservation Society will be filing evidence at a later date. The issues are as per point i).

The Yukon Conservation Society (YCS) appoints Anne Middler as the YCS employee authorized to receive documents on YCS's behalf. JP Pinard and Sally Wright are the designated alternates. Contact information is as follows:
