BOARD ORDER 2010-7

WHEREAS:

- A. On February 19, 2010, Yukon Electrical Company Limited (YECL) and Yukon Energy Corporation (YEC) (jointly, the Companies) filed with the Yukon Utilities Board (Board), pursuant to the *Public Utilities Act* (Act), and *Order-In-Council 1995/90*, an Application requesting an Order approving adjustments to rates (on a prospective basis), to be effective September 1, 2010 and to collect an approved 2009 Consolidated Firm Rate Revenue Requirement of \$50.833 million.
- B. YECL, separately, is seeking approval of a proposed Diesel Generation Energy Cost Recovery Rider (Rider D) to flow through the actual cost of purchase power for the hydro zone during the period when diesel generation is on the margin that has not been forecasted.
- C. The Application provides electronic models of the cost of service model and the regression used by YECL for its Cost of Service.
- D. The Application also proposes updates to the Terms and Conditions of Service (previously known as Electric Service Regulations) including a review of investment levels.
- E. The Board through Board Order 2010-6 issued a process schedule for comment and requested persons intending to participate in this proceeding to register in writing with the Board Secretary no later than May 17, 2010. The Board stated that it would notify these persons of their status in this proceeding by May 25, 2010.

- F. The Board received requests for intervenor status from the City of Whitehorse, Mr. John Maissan, Mr. Peter Percival, Mr. Keith Lay, and the Utilities Consumers' Group.
- G. On May 12, 2010, the Board received a request to re-schedule the hearing date from YEC due to the unavailability of its witnesses in September 2010.

NOW THEREFORE the Board orders as follows:

- 1. Intervenor status is granted to the following persons for this proceeding:

City of Whitehorse
 John Maissan
 Peter Percival
