Re: Quarterly Adjustment to Secondary Sales Rates as of October 1, 2015

Pursuant to Rate Schedule 32 Secondary Energy (as approved in Board Order 2005-12), the following sets out the quarterly adjustment to the Secondary Energy rate effective for consumption on or after October 1, 2015.

October 1, 2015 Rate Determination

As outlined in Rate Schedule 32, the Secondary Energy rate for October 1, 2015 is based on the published Yukon Territorial Government – Bureau of Statistics biweekly price for Furnace Oil in Whitehorse for the three reporting periods prior to the 20th day of August 2015. The lowest value of the three (net of GST) is the “Oil Price Index”. The three reported values (including GST) are as follows:

July 22, 2015 = \$ 1.053 /litre
August 5, 2015 = \$ 1.061 /litre
August 19, 2015 = \$ 1.065 /litre

Consequently the Oil Price Index for the October 1, 2015 rate is 100.29 cents/litre (the July 22, 2015 value of 105.30 cents/litre less the GST included in that value). An Oil Price Index of 100.29 cents/litre equals a Secondary Energy price of 7.0 cents/kW.h (compared to the July 1, 2015 revised price of 7.0 cents/kW.h) and results in a Rate Schedule 43 Wholesale Secondary energy price of 5.9 cents/kW.h (compared to the July 1, 2015 revised price of 5.9 cents/kW.h).

Notification of Interested Parties

Rate Schedule 32 provides that the Secondary Energy Charge is to be filed with the Board at least 30 days in advance of the Rate Period. As with past notifications regarding the rate change, Yukon Energy is providing notice to ATCO Electric Yukon (AEY) at the same time as this notice is sent to the Board. The updated Rate Schedule 32 rate sheet will also be posted on Yukon Energy's website. Secondary Retail customers will be notified by a billing advisory message on their monthly bill when their retail account is actively in service.

Current Status of Secondary Sales

Secondary Sales were made available to Retail Secondary Sales customers effective July 27, 2015 and are forecast to be available until early October.

Sincerely,
