Attn: Ms. Deana Lemke, Executive Secretary

Dear Ms. Lemke:

Re: Yukon Energy Corporation (YEC) 2012-2013 General Rate Application (GRA)

Further to Yukon Utilities Board correspondence on this matter I wish to be registered as an Intervenor in the YEC 2012-2013 GRA and plan to participate in the YEC Workshop on May 30, the interim refundable rate rider J process to be instituted by the Board, and other GRA related activities, including the hearing in due course.

My interests include the DCF proposal, the hydro and diesel forecasts used for GRA revenue requirement determination, DSM planning, IPP and Net Metering policies, depreciation rates, new power generation planning and perhaps other issues that come to light during the review of the GRA documents which I have not yet had time to complete.

Documents can be sent to me electronically at the email address indicated in my letterhead.

Regards,

John F. Maissan, P.Eng.
