Attention: Mr. Bruce McLennan, Chair

Re: May 30th YEC Workshop

Dear Mr. McLennan:

Having reviewed Board Order 2012-03 and letter of May 18, UCG requests the Board clarify the aim of the workshop of May 30th.

We further request the Board canvas the registered interveners to see if they believe that this is the best use of ratepayer funds.

Yours truly,

Roger Rondeau
