Yukon Utilities Board

Dear Mr. McLennan:

Re: Yukon Energy 2012/2013 General Rate Application Interrogatory Responses

Yukon Energy is writing to request an extension to the deadline for filing interrogatory responses.

The current schedule, initially established by Board Order 2012-03 and recently amended by Order 2012-06, provides for Yukon Energy to file its interrogatory responses by July 12, 2012. This provided for approximately three weeks to respond to information requests.

On June 21, 2012, Yukon Energy received approximately 900 interrogatories from the Board and other intervenors. Upon review, it is clear that due to the volume of responses, the detailed nature of some of the requests and the resources available at this time, Yukon Energy will be unable to complete and deliver all responses within the timeframe provided. Further, Board Order 2012-06 has amended the hearing schedule and moved the oral hearing from September 17-19, 2012 to November 12-14, 2012. Given this extension, additional time to answer interrogatories can be provided without prejudicing the hearing schedule.

In light of this, Yukon Energy requests the period to respond to interrogatories be extended to July 27, 2012. It is also expected that based on this extension the Board will need to similarly extend the following dates for Intervener evidence and related interrogatories:

Action	Date
Intervenor Evidence	Extend from August 2 to August 16
Information Requests to Intervenors	Extend from August 16 to August 30
Information Responses from Intervenors	Extend from August 30 to September 13
YEC Rebuttal Evidence (if necessary)	Extend from September 6 to September 20

If you have any questions regarding the above please call.

Yours truly,

Ed Mollard

Chief Financial Officer
