Yukon Utilities Board
Box 31728
Whitehorse, Yukon Y1A 6L3

Attention: Mr. Bruce McLennan, Chair

**Re: Yukon Energy Corporation – 2012 / 2013 General Rates Application
Procedural Schedule**

Dear Mr. McLennan:

Given that the Board is considering the request of the Utilities Consumers' Group for more complete responses by Yukon Energy to information requests, UCG submits that an extension to the filing deadline for intervenor evidence is warranted.

According to Board Order 2012-07, intervenor evidence is to be submitted by August 16, 2012. UCG submits that whether and what type of evidence it submits on specific issues will be influenced by the Board's decision on UCG's motion regarding IR responses.

UCG proposes that the filing deadline for intervenor evidence be delayed until the later of:

- one week after YEC files more complete IR responses as directed by the Board; or
- one week after the Board makes its decision on UCG's motion on the IR responses

Please contact me if you have any questions regarding the above.

Yours truly,

Roger Rondeau
Utilities Consumers' Group
