Mr. Rondeau:

The YEC Resource Plan update is not currently a matter before the Board; therefore, no regulatory process dealing with that plan will be undertaken at this time and the Board will not be making any rulings with respect to the plan. During the YEC 2012 GRA proceeding, the YEC Resource Plan will be considered in how it may impact the GRA.

Deana:

UCG is not certain the regulatory process for the Resource Plan update. Will there be something in the future or is this to be considered during the GRA?

Regards,

Roger
