Dear Ms. Shanks

**Re: Yukon Energy Corporation 2008 & 2009 General Rate Application
Responses to Interrogatories**

As per Board Order 2009-3, Yukon Energy submits the remaining responses to interrogatories which were not able to be filed on February 27, 2009 (along with 3 revisions to responses which were sent February 27, 2009). The electronic files attached are each able to be individually text-searched.

With respect to item 3 in the Board Orders, a single electronic document cannot be provided at this time due to the size limitations of most email systems. Yukon Energy will submit the "single text-searchable document" with hyperlinks in a CD format (rather than by email) concurrent with the five paper copies to be delivered to the Board before or on March 13, 2009.

As set out in the Board Order, Yukon Energy requests that any intervenor who wishes to receive a paper copy of the interrogatory responses notify YEC as soon as possible, to permit production and distribution to progress.
