Summary of Application

The Yukon Energy Corporation (YEC) has filed an application with the Yukon Utilities Board (Board) for approval of its proposed revenue requirements for the years 2008 and 2009 (Application). YEC is the main generator and transmitter of electrical energy in the Yukon and provides electrical service directly to more than 1900 retail customers in and around Dawson City, Mayo and Faro and, indirectly, to retail customers on the Whitehorse/Aishihik/Faro system and Mayo-Dawson system through its wholesale sales.

YEC is seeking approval of revenue requirements of \$29.217 million for 2008 and \$31.599 million for 2009.

YEC is also requesting approval of interim refundable rate riders effective December 1, 2008.
