Attention: Bruce McLennan, Board Chair

Dear Mr. McLennan:

Re: Rider F Policy Application Schedule

Yukon Electrical Company Limited ("YECL") is requesting the Board to approve an extension to the current schedule in Board Order 2011-10. This extension is necessary to provide adequate time to respond to any IR's to be received, given the availability of Yukon Electrical's resources that have been assigned to this policy application. The revised schedule has been reviewed and approved by Yukon Energy.

Yukon Electrical proposes the revised schedule to be;

Action	YUB Date	YECL Proposed Date
Information Requests to the Companies	August 16	August 16
Information Responses from the Companies	August 29	September 5
Argument	September 8	September 15
Reply	September 15	September 22

If you have any questions on the above request, please contact me at 867-633-7003.

Yours truly,
THE YUKON ELECTRICAL COMPANY LIMITED
An ATCO Company
