Re Utilities Consumers' Group (UCG) and Leading Edge Projects Inc. (LE) Request for Further Information

The Yukon Utilities Board (Board) is in receipt of UCG's correspondence and LE's correspondence dated September 8, 2011, whereby UCG and LE are requesting that the Board issue an Order directing YEC and YECL (the Companies) to provide complete answers to specific Information Requests identified in each respective correspondence.

UCG has listed five Information Requests with respect to the YEC/YECL Rider F Policy Application and LE has listed two information requests where they are seeking further response.

The Board is seeking comments from the Companies on the UCG and LE requests. If the Companies have comments, please file by Wednesday, September 21, 2011. In addition, the Board is providing UCG and LE with an opportunity to reply to the comments by the Companies or any comments from other intervenors by Wednesday, September 28, 2011.

The schedule for argument and reply for the Rider F Policy proceeding is suspended and will be rescheduled once the Board has ruled on the UCG and LE motions.
