**Re: ATCO Electric Yukon / Yukon Electrical Company Limited
2016-2017 General Rates Application – Phase 1
UCG Motion to Order AEY to Provide More Complete Responses to IRs**

Dear Mr. Laking:

The Utilities Consumers' Group (UCG) is in receipt of the YUB's correspondence dated August 18, 2016 in which it has directed ATCO Electric Yukon (AEY) to comment on UCG's Notice of Motion by August 24, 2016 and UCG to reply to AEY's comments by August 29, 2016.

UCG notes that these dates are after the currently scheduled August 23, 2016 deadline for intervenors to submit evidence. Until UCG knows whether additional material will be added to the record of this proceeding as a result of this Notice of Motion, UCG is uncertain whether we will need to submit evidence.

Given this conflict with the procedural schedule, UCG requests that the YUB consider delaying the requirement for intervenor evidence until after the issues raised in UCG's Notice of Motion have been resolved.

Yours truly,

Roger Rondeau
Utilities Consumers' Group
