## **Re UCG motion re IR responses from YECL**

The Yukon Utilities Board (Board) is in receipt of a Notice of Motion from the Utilities Consumers' Group (UCG), dated August 16, 2016, regarding the IR responses from YECL.

UCG requests that the Board issue a Board Order to the effect that, "ATCO Electric Yukon (AEY) shall be required to provide more complete responses to questions submitted by the Utilities Consumers' Group that AEY has not provided to the Board's satisfaction."

In its Notice of Motion, UCG provides its supporting arguments and identifies 36 IRs that it judges have not been fully responded to in the information responses filed by YECL filed on August 9, 2016.

The Board invites YECL to comment on this motion by Wednesday, August 24, 2016. UCG may reply to YECL's comments by Monday, August 29, 2016.
