Dear Ms. Lemke,

Re: ATCO Electric Yukon 2016-2017 GRA

I am writing to request intervenor status in the above captioned proceeding before the Yukon Utilities Board. While other commitments have prevented me from fully studying this GRA, the issues identified so far that I would like to address include operating costs, some specific capital projects, and other matters that may come to my attention in due course.

If you require additional information please do not hesitate to contact me.

Sincerely,

A handwritten signature in blue ink, appearing to read "John Maissan".
