To the Yukon Utilities Board,

The Yukon Conservation Society (YCS) would like to register as an Intervenor in the YECL (ATCO) 2016-2017 General Rate Application.

YCS's area of interest and focus will be primarily, but not limited to, Section 12 Diesel Displacement, and the renewable and alternative energy studies and the Watson Lake Bi-fuel project discussed within it.

We may participate at the hearing, provide evidence and submit arguments.

The contact with the Yukon Conservation Society is Anne Middler. I can be reached at [ycsenergycoordinator@gmail.com](mailto:ycsenergycoordinator@gmail.com) and 867.668.5678.

Regards,
