Attention: Bruce McLennan
Board Chair

Dear Mr. McLennan:

**Re: Yukon Electrical 2013-2015 General Rate Application
Request for Extension of IR Response Deadline**

Since receiving IRs from the Board and the Interveners on July 18, 2013, all available Yukon Electrical resources have been fully engaged in preparing its responses. We note that Yukon Electrical received over 1,100 IRs, well in excess of the number Yukon Electrical has historically received and many of which are extremely detailed. Under the circumstances, and given Yukon Electrical's limited resources, it is simply not feasible for Yukon Electrical to respond to this volume of IRs within the existing schedule.

Yukon Electrical has determined that it will be in a position to respond to approximately 300 IRs by the scheduled filing date of August 8, 2013. In respect of all remaining IRs, Yukon Electrical respectfully requests an extension of the current filing schedule to August 29, 2013.

Yukon Electrical submits that its request is reasonable and proposes the following amended schedule, which preserves the hearing dates and does not prejudice the Interveners.

Action	Original Date (2013) (per Order 2013-02)	Yukon Electrical Proposed Date
Information Requests to Yukon Electrical	July 18	July 18
Information Responses from Yukon Electrical	August 8	August 8 & August 29
Intervener Evidence Filed	August 22	September 12
Information Requests to Interveners	September 5	September 26
Information Responses from Interveners	September 19	October 10
Yukon Electrical Rebuttal Evidence (if necessary)	September 26	October 17
Hearing	November 4-6 inclusive	November 4-6 inclusive
Final Written Argument	November 20	November 20
Written Reply Argument	December 3	December 3
