Attn: Deana Lemke

Dear Ms. Lemke,

Re: Yukon Energy 2017-2018 GRA

In accordance with Board Order 2017-04, I am writing to request intervenor status in the above captioned proceeding before the Yukon Utilities Board.

The issues identified so far that I would like to address include capital projects, operating costs, debt costs, DSM, and other matters that may come to my attention as I study Yukon Energy's Application in detail. I plan to participate as fully as my other time commitments allow.

At this time I do not have an opinion with respect to the interim rate increase requested by Yukon Energy as I have not yet studied the Application in adequate detail. The timing of the proposed rate increase seems appropriate.

If you require additional information please do not hesitate to contact me.

Sincerely,

John Maissan
