Attention: Mr. Robert Laking, Chair

Dear Sir:

**Re: Yukon Energy Corporation (“YEC”) 2017-18 GRA**

---

The Yukon Utilities Board (“YUB”) issued correspondence dated February 6, 2018, inviting comments from interveners regarding hearing dates proposed by Yukon Energy Corporation (“YEC”) in a letter dated February 3, 2018. Below are the comments on behalf of the City of Whitehorse (“City”). On February 5, 2018 the City circulated a letter advising that its counsel, Mr. Marriott, and its consultant, Mr. Bell, were not available for a hearing from May 28, 2018 to May 30, 2018, but were available from May 23, 2018 to May 25, 2018.

In its February 6 correspondence, YUB specifically requested that intervenors advise of their availability the week of June 25, and we write to confirm that Mr. Marriott and Mr. Bell are also available for a hearing during that week.

Yours truly,

BROWNLEE LLP
