

# Yukon Utilities Board

July 6, 2018

To: All Parties to YEC 2017-18 General Rate Application

**Re: Yukon Energy Corporation request for extension**

On July 3, 2018, Yukon Energy Corporation (YEC) filed a letter with the Yukon Utilities Board requesting an extension of the dates to file Final Argument and Reply Argument due to the time it needs to file certain outstanding undertakings from the oral public hearing that concluded on June 28, 2018.

In its letter, YEC cited availability of staff and the quantity of undertakings currently outstanding. YEC stated it would endeavor to provide all outstanding undertakings no later than July 13, 2018. Given the date for the filing of the outstanding undertakings, YEC requested that the dates for Final Argument and Reply Argument be adjusted to fall two weeks later than the current schedule.

The Board has reviewed the request by YEC and finds the request to be reasonable. Therefore, the Board accepts the request to adjust the dates for Final Argument and Reply Argument to July 26, 2018 and August 9, 2018 respectively.

Sincerely,

Deana Lemke  
Executive Secretary
