Attention: Deana Lemke
Executive Secretary

Dear Madam:

Re: An Application by Yukon Energy Corporation for an Energy Project Certificate and an Energy Operation Certificate regarding the Proposed Whitehorse Diesel to Liquefied Natural Gas (LNG) Conversion Project (the "Application")

Further to Board Order 2014-01 we wish to advise that the City of Whitehorse (the "City") intends to participate and wishes to be registered as an Intervener in the above-noted application presently before the Yukon Utilities Board (the "Board").

The City intends on assessing economic aspects of the Application and the effect of the proposed project on the rates of the City and its residents. The City also wishes to canvass various aspects of the project design and operation that will directly impact the City and its residents.

The City has retained Ms. Kristjana E. Kellgren of Brownlee LLP as legal counsel for this proceeding. Brownlee LLP has represented the City in various matters before the Board. Ms. Kellgren has been employed with Brownlee LLP for over five years and much of her practice has focused on representing parties in matters regarding utility regulation. Ms. Kellgren has appeared numerous times before the Board and the Alberta Utilities Commission, as well as the Alberta Court of Appeal. Ms. Kellgren has also assisted in various matters before the North West Territories Public Utilities Board ("NWT PUB"). Ms. Kellgren is required in order to assist the City with its intervention, and specifically to advise the City on various aspects of the Application, to correspond with the Board and other parties on the City's behalf in this proceeding and to present oral argument on behalf of the City, if necessary. There is no retainer letter between the City and Ms. Kellgren.

The City has also retained Mr. Russell Bell as a consultant to assist with the review of the Application and intervention in this proceeding. Mr. Bell is a Certified Management Accountant and has over thirty years experience in the field of electric and natural gas utilities. Mr. Bell has assisted utilities and intervenors before the Alberta Utilities Commission, the Board, the NWT PUB and the British Columbia Utilities Commission. Mr. Bell's technical expertise is necessary to assist the City with its intervention, and specifically to provide a technical review of the Application and assist with drafting information requests. There is no retainer letter between the City and Mr. Bell.

At this time, the City does not anticipate filing evidence in this proceeding.

We would ask that the following individuals be provided with all information and notices with respect to this proceeding:
