ATTENTION: Ms. Deana Lemke Executive Secretary.

Dear Ms. Lemke,

Further to Yukon Utilities Board order 2014-01 I wish to be registered as an Intervener in the YEC LNG Project Proceeding before the Board.

I will represent our group Yukoners Concerned and our interests include the business case for LNG that YEC is putting forth. We are also interested in YEC load forecast and the rationale YEC has given for the economic viability of a switch from diesel to LNG.

Would you kindly let me know if our group can be registered as an Intervener.

Thank you.

Yours truly,

Donald J Roberts
