Dear Mr. Janigan:

Re UCG submission re YEC LNG Project Proceeding

The Yukon Utilities Board (Board) acknowledges your e-mails and attachments of March 29, 2014 on behalf of the Utilities Consumers' Group (UCG).

If you intend to use the documents referenced in your letter as aids to cross-examination, please note that the Board does not accept the documents on the record unless and until the document is used in cross-examination. However, counsel for the witness is to receive the aids to cross-examination at least 24 hours prior to the questions pertaining to the document being asked.

If your intention was to file any of the above-noted documents as evidence, please note that the deadline for intervener evidence was March 6, 2014. The Board cannot accept any documents as evidence without a motion from UCG explaining the relevance of the documents to the Board's mandate in this matter. If such a motion is filed, the Board will rule on whether or not the documents may be filed.

Further, please note that the Board has not accepted the March 26, 2014 correspondence from YCSLE as evidence.

If you have any questions, please contact Board counsel, Giuseppa Bentivegna, at giuseppa.bentivegna@auc.ab.ca.

Sincerely,

Deana Lemke
