Re: Nathaniel Yee Participant Cost Award claim for the AEY-YEC 2024-25 Terms and Conditions of Service proceeding before the Yukon Utilities Board

This letter and the attached supporting information constitute my Participant Cost Award claim.

Completed forms 1 through 4 are attached, along with a more detailed time record.

This is my sixth appearance in the last five years as an intervener in front of the board.

I have been persistent about bill presentation issues and getting actual rates displayed on billing statements, and was glad that there was finally direction of the Board to AEY to address these issues in the next GRA. And while the Board did not agree with my suggestion of penalizing the Utilities for successive failure to read meters, I was heartened to see that the Board has directed the Utilities to propose a resolution for this issue. I believe my ideas, approach and attention to detail added value to the process, and I appreciate the opportunity to work towards improving the customer experience. My time claim is based on an hourly rate of \$55. I understand that the hourly rate is at the discretion of the Board.

Sincerely,

A handwritten signature in black ink, appearing to read 'Nathaniel Yee', written in a cursive style.
