**Subject: RE: Maissan motion re AEY IR response**

Mr. Buchan and all parties,

Regarding my request for complete information on AEY-JM-1-3, AEY supplied some additional information on September 9, 2022. While this is not the complete information I was requesting, I believe that I have sufficient information on which to prepare my argument on the AEY Application.

I am prepared to submit my argument on the original due date of September 13, 2022 so as not to cause an unnecessary delay to this proceeding.

Regards,

John Maissan
