### **Re: Maissan motion re AEY response to IR AEY-JM-1-3**

On September 8, 2022, the Yukon Utilities Board (Board) received a motion from John Maissan, an intervener in the AEY Rate Relief Application proceeding.

Mr. Maissan is requesting the Board to issue a Board Order compelling AEY to provide a full and complete response to IR AEY-JM-1-3.

Before ruling on this motion, the Board is affording AEY an opportunity to comment on the request by September 14, 2022. Mr. Maissan may reply to any comments received from AEY by September 20, 2022.

In light of this motion, the Board will issue an order suspending the schedule set out in Board Order 2022-12. The Board will issue a new process order once it has dealt with Mr. Maissan's request.
