Re: ATCO Electric Yukon Application for Rate Relief

Dear Ms. Lemke and Board Members:

As per Board Order 2022-09 the Yukon Utilities Consumers' Group (UCG) would like to register as an intervenor in the proceeding to review the above. We plan to participate in all aspects of this rate hearing.

The nature of UCG's participation in this proceeding is to ensure ATCO is presenting the best case scenario for their rate relief program.

UCG has retained the services of Roger Rondeau as a regulatory consultant to oversee this proceeding given his prior experience in YUB proceedings concerning all facets of rate cases.

Until more information is provided through the information request process, it is too early to tell whether UCG will need to submit additional evidence to be placed on the record.

All communications related to this application and its review should be copied to myself (rroudeau@northwestel.net).

Regards,

Roger Rondeau
for UCG
