Information Responses Round 2 - Depreciation**

In accordance with the Yukon Utilities Board (Board or YUB) Order 2023-18 dated August 29, 2023, attached are AEY's Responses to Information Requests (IRs) submitted on October 10, 2023, from the YUB, Mr. John Maissan, and the Yukon Utilities Consumers' Group.

In the course of preparing its responses to the IRs, AEY identified inadvertent errors in the information that had been previously filed, as noted in the relevant IR responses.¹ AEY will work with Concentric to quantify the implications of the identified errors and provide an update to the Depreciation Study, any updates required to AEY's IR responses, and any applicable revenue requirement updates as soon as possible and, in any event, no later than October 30, 2023.

If you have any questions, please contact me at Elizabeth.Rogers@atco.com or (780) 919-8190.

Yours truly,

Beth Rogers, CPA CMA
Director, Regulatory
