Outstanding Exhibits**

In preparation for ATCO Electric Yukon's (AEY) 2023-2024 General Rate Application, AEY noticed that the two supporting documents referenced in the Concentric Business Risk Report were inadvertently excluded from the report when it was filed as part of the Application but are being filed now in advance of the hearing to ensure that the record is complete. The aforementioned Exhibits enclosed are: JPT-2 and JPT-3.

Should you have any questions, please do not hesitate to contact the undersigned at Tony.Martino@atco.com.
