Re: Nathaniel Yee Participant Cost Award claim for the AEY 2023-24 General Rate Application proceeding before the Yukon Utilities Board

This letter and the attached supporting information constitute my Participant Cost Award claim for the AEY 2023-24 General Rate Application proceeding.

Completed forms 1 through 4 are attached, along with a more detailed time record.

This is my fourth time as an intervener in front of the board, and while I gain experience in the world of public utility regulation, I also rely on years of relevant experience in the corporate world, with positions at General Motors, Electronic Data Systems and Thomson Publishing.

Despite my suggested improvements to billing statements not appearing in the final decision, I was on topic, as the Board had confirmed that this was a GRA topic and relevant to this hearing. Regardless of the final results, I believe my ideas, approach and attention to detail added value to the process. My time claim is based on an hourly rate of \$45. I understand that the hourly rate is at the discretion of the Board.

Sincerely,

Nathaniel Yee
