Attention: Richard Buchan, Chair

Dear Mr. Buchan,

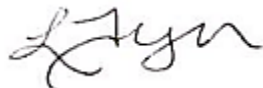

Re: ATCO Electric Yukon 2023-2024 General Rate Application

I am writing to request intervenor status in the 2023-2024 General Rate Application by ATCO Electric Yukon.

The Yukon NDP Caucus would like to focus on the cost drivers being put forward by ATCO and the effect they will have on ratepayers. We are concerned that ATCO Electric Yukon has applied for a substantial rate increase in 2024 and feel that this is inconsistent with the mandate of the utility board to set 'just and reasonable' rates.

Please include Pascaline Etter, Chief of Staff (Pascaline.etter@yla.gov.yk.ca) and Dan Bader, Legislative Assistant (dan.bader@yla.gov.yk.ca) as well as myself on all communications to our organization as they relate to the rate application.

Sincerely,
