Attention: Richard Buchan, Chair

Dear Mr. Buchan,

Re: AEY GRA process schedule changes

We have no objections to the requested changes to the schedule from AEY and are supportive of Mr. Maissan and others who have requested an extension for IRs from August 24 to September 6.

Sincerely,

A handwritten signature in black ink, appearing to read "Lane Tredger". The signature is fluid and cursive, with the first name "Lane" being more prominent than the last name "Tredger".
