Mr. Richard Buchan, Chair
Yukon Utilities
Board Box 31728
Whitehorse, Yukon Y1A 6L3

Dear Mr. Buchan:

RE: A joint submission by ATCO Electric Yukon and Yukon Energy Corporation (the "Companies") regarding rate rebasing

Yukon Utilities Board ("YUB" or "Board") in its Order 2022-07, Appendix A, paragraph 19 directed the Utilities to provide a proposal regarding the rate rebasing. Specifically, the Board noted the following:

The Board is concerned that customers may find the application of YEC's and AEY's riders to be confusing. Therefore, the Board directs YEC and AEY to provide, within 180 days of issuance of this Order, a proposal to the Board on incorporating these riders into existing base rates.

Pursuant to this directive, the Utilities are filing the attached limited scope submission that outlines various options and provides a recommendation regarding the rate rebasing.

Sincerely,

ATCO Electric Yukon
