Re: Nathaniel Yee Participant Cost Award claim for the AEY-YEC Rate Rebasing proceeding before the Yukon Utilities Board

This letter and the attached supporting information constitute my Participant Cost Award claim for the AEY-YEC Rate Rebasing proceeding.

Completed forms 1 through 4 are attached, along with a more detailed time record.

This is my third time as an intervenor in front of the board, and while I do not have previous experience in the world of public utility regulation, I do have years of relevant experience in the corporate world, with positions at General Motors, Electronic Data Systems and Gale, then a division of Thomson Publishing. Relevant to this proceeding, I have worked on billing systems, and conversion of legacy COBOL based systems to Oracle, very much like what the Utilities are doing now.

I believe my ideas, approach and attention to detail added value to the process, and I appreciate the opportunity to improve the customer experience. My time claim is based on an hourly rate of \$45. I understand that the hourly rate is at the discretion of the Board.

Sincerely,

Nathaniel Yee
