

1990-2

THE YUKON ELECTRICAL COMPANY LIMITED, AND  
YUKON ENERGY CORPORATION

DECISION 1990-2

DATED MAY 1, 1990

YUKON UTILITIES BOARD  
DECISION 1990-2

YUKON UTILITIES BOARD

DECISION 1990-2

TUESDAY, THE 1st DAY OF MAY, A.D. 1990.

IN THE MATTER OF the "Public Utilities Act",  
being Chapter 143 of the Revised Statutes of  
Yukon, 1986, as amended;

AND IN THE MATTER OF applications by The  
Yukon Electrical Company Limited and Yukon  
Energy Corporation to the Yukon Utilities  
Board for Orders approving changes in  
existing rates, tolls or charges for  
electric light, power or energy and related  
services supplied to its customers within  
Yukon.

BEFORE:

THE YUKON UTILITIES BOARD

ORDER

WHEREAS The Yukon Electrical Company Limited ("YECL") and Yukon Energy Corporation ("YEC") ("the Companies") filed Applications dated December 30, 1988 with the Yukon Utilities Board ("the Board") for Orders of the Board fixing and approving just and reasonable rates, charges or schedules thereof for electric light, power or energy and related services to be supplied by YECL and YEC, including terms and conditions of service;

AND WHEREAS by Interim Orders 1989-1 and 1989-2 dated March 17, 1989 the Board fixed and approved interim rates to be effective for billings issued on and after April 1, 1989 for consumption on and after March 1, 1989 and approved Electric Service Regulations on an interim basis;

AND WHEREAS the Board, following public hearings, issued Decisions 1989-3, 1989-4 and 1989-5 dated October 20, 1989 wherein it approved the 1989 and 1990 revenue requirements of YEC, and directed YECL to prepare and file with the Board a revised calculation of total utility revenue requirement for 1989 and 1990 in accordance with the three aforementioned Decisions;

DECISION 1990-2

AND WHEREAS in Decision 1989-5 the Board ordered as follows:

"The Yukon Electrical Company Limited and Yukon Energy Corporation shall prepare and file with the Board within thirty (30) days a schedule of just and reasonable rates and appropriate riders for the test years 1989 and 1990 in accordance with Decisions 1989-3, 1989-4 and this Decision."

AND WHEREAS by letters dated November 14 and 27, 1989 YEC applied to the Board for a rehearing of Decision 1989-4, and YECL and YEC applied to the Board for an extension of the date for the filing of material as required by Orders 1989-3 and 1989-5;

AND WHEREAS the Board, following a public hearing, issued Decision 1990-1 dated March 19, 1990 wherein it denied YEC's application for a rehearing under Section 27 of the Board's Rules of Practice on the basis that YEC had not established that a rehearing was warranted;

DECISION 1990-2

AND WHEREAS in its Decision 1990-1 the Board ordered that YECL and YEC shall prepare and file with the Board within ten (10) days a schedule of just and reasonable rates and appropriate riders for the test years 1989 and 1990 in accordance with Decisions 1989-3, 1989-4 and 1989-5 for implementation on April 1, 1990;

AND WHEREAS on March 28, 1990 YECL and YEC filed with the Board a Joint Response to Decision 1990-1 wherein they proposed revised rates and riders to be effective on all billings on and after April 1, 1990;

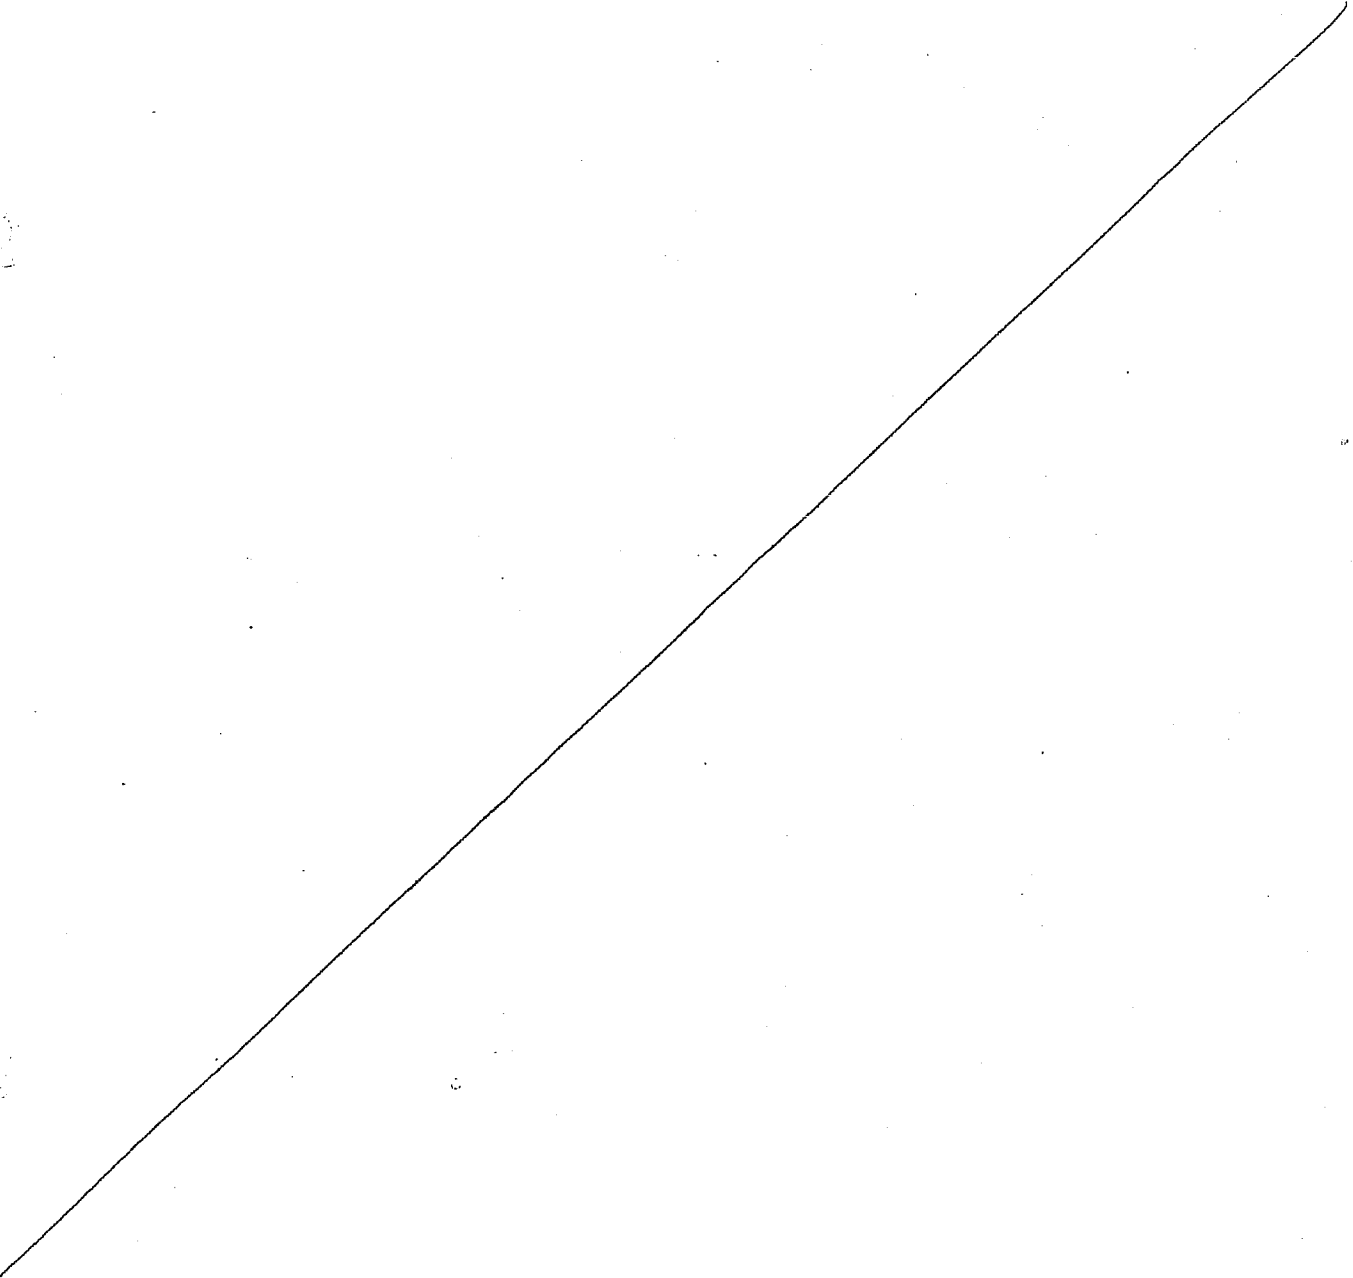

AND WHEREAS on April 3, 1990 the Board forwarded copies of the Joint Response to all registered Intervenor;

AND WHEREAS on April 23, 1990 YECL filed an amendment to rate ENG-23, contained in the Joint Response to Decision 1990-1.

DECISION 1990-2

AND UPON considering that no Intervenor has filed an objection with the Board to the rates and riders proposed by YECL and YEC in the Joint Response;

AND UPON considering that the Joint Response is reasonable and consistent with prior Orders of the Board relating to YECL and YEC;

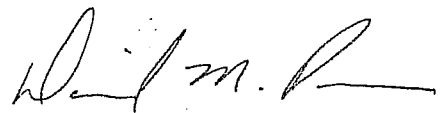

DECISION 1990-2

5. The interim rates, tolls and charges approved in Decisions 1989-1 and 1989-2 are hereby fixed and approved as just, reasonable and final rates, tolls and charges for the period from April 1, 1989 to April 1, 1990.

DATED AT WHITEHORSE, YUKON THIS 1st DAY OF MAY, 1990.

YUKON UTILITIES BOARD

### GOVERNMENT

#### AVAILABLE:

In the community of Ross River.

#### APPLICABLE:

To single-phase electric service at secondary voltage through a single meter, for normal use by a single and separate household. Not applicable to any commercial, industrial or non - government use.

#### RATE:

Charges for service in any one billing month shall be the sum of the following:

- |     |                        |            |
|-----|------------------------|------------|
| (a) | <u>Customer Charge</u> | \$3.90     |
| (b) | <u>Energy Charge</u>   |            |
|     | For the first 200 kW.h | 22.2¢/kW.h |
|     | For the next 300 kW.h  | 20.0¢/kW.h |
|     | All over 500 kW.h      | 15.5¢/kW.h |

#### MINIMUM MONTHLY BILL:

Shall be \$7.80.

#### RATE MODIFICATIONS APPLICABLE:

For multiple residence service on one meter, see Rider A; for fuel adjustment Rider, see Rider F; for temporary adjustment - Unbilled Revenue, see Rider E.

#### ELECTRIC SERVICE REGULATIONS:

The Company's Electric Service Regulations approved by the Yukon Utilities Board form part of this rate schedule and apply to the Company and every customer supplied with electric service by the Company in the Yukon and British Columbia. Copies of the Electric Service Regulations are available for inspection in the offices of The Yukon Electrical Company Limited during normal working hours.

**RATE SCHEDULE YECL - 21**

**GENERAL SERVICE**

**GOVERNMENT**

**AVAILABLE:**

In metropolitan Whitehorse and the Teslin System.

**APPLICABLE:**

To any use of electric energy not inconsistent with safe and adequate service to all customers of the Company, except as more favorable options may apply. Not applicable to any non-government use.

**RATE:**

Charges for service in any one billing month shall be the sum of the following:

- a) **Demand Charge**
  - All kW of billing demand \$1.10 per kW
- b) **Energy charge**
  - For the first 200 kW.h per kW of billing demand 8.9¢ per kW.h
  - For the next 200 kW.h per kW of billing demand 7.8¢ per kW.h
  - For energy in excess of 400 kW.h per kW of billing demand 6.6¢ per kW.h

**MINIMUM MONTHLY BILL:**

Shall be the Demand Charge but not less than \$7.80.

**BILLING DEMAND:**

The billing demand may be estimated or measured and will be the greater of the following:

- a) The highest metered demand during the billing period.
- b) The highest metered demand during the 12 months ending with the current billing month, excluding the months April through September.
- c) The estimated demand.
- d) 5 kilowatts.

Continued on overleaf

Rate Schedule YECL - 21 (Continued)

POWER FACTOR:

The foregoing rate is designed on the assumption that the customer will maintain a power factor of 90 percent or better during the period of his peak load. In those cases in which, by estimate or test, such power factor is not maintained, the customer's demand will be measured in kV.A and for the purposes of application of the foregoing rate, one kV.A shall be taken as one kW.

RATE  
MODIFICATIONS  
APPLICABLE:

For customers have small constant loads, whose monthly energy requirements can be estimated closely, see Rider B; for fuel adjustment Rider, see Rider F; for temporary adjustment - Unbilled Revenue, see Rider E.

ELECTRIC  
SERVICE  
REGULATIONS:

The Company's Electric Service Regulations approved by the Yukon Utilities Board form part of this rate schedule and apply to the Company and every customer supplied with electric service by the Company in the Yukon and British Columbia. Copies of the Electric Service Regulations are available for inspection in the offices of The Yukon Electrical Company Limited during normal working hours.

**RATE SCHEDULE YECL - 22****GENERAL SERVICE****GOVERNMENT**

**AVAILABLE:** In the communities of Carcross, Carmacks, Marsh Lake and Tagish.

**APPLICABLE:** To any use of electric energy not inconsistent with safe and adequate service to all customers of the Company, except as more favorable options may apply. Not applicable to any non-government use.

**RATE:** Charges for service in any one billing month shall be the sum of the following:

- a) **Demand Charge**  
All kW of billing demand \$1.65 per kW
- b) **Energy charge**  
For the first 200 kW.h per kW of billing demand 15.7¢ per kW.h  
For the next 200 kW.h per kW of billing demand 12.4¢ per kW.h  
For energy in excess of 400 kW.h per kW of billing demand 9.4¢ per kW.h

**MINIMUM MONTHLY BILL:** Shall be the Demand Charge but not less than \$7.80.

**BILLING DEMAND:** The billing demand may be estimated or measured and will be the greater of the following:

- a) The highest metered demand during the billing period.
- b) The highest metered demand during the 12 months ending with the current billing month, excluding the months April through September.
- c) The estimated demand.
- d) 1 kilowatt.

Continued on overleaf

Rate Schedule YECL - 22 (Continued)

POWER FACTOR:

The foregoing rate is designed on the assumption that the customer will maintain a power factor of 90 percent or better during the period of his peak load. In those cases in which, by estimate or test, such power factor is not maintained, the customer's demand will be measured in kV.A and for the purposes of application of the foregoing rate, one kV.A shall be taken as one kW.

In the community of Ross River.

**APPLICABLE:**

To any use of electric energy not inconsistent with safe and adequate service to all customers of the Company, except as more favorable options may apply. Not applicable to any non-government use.

**RATE:**

Charges for service in any one billing month, exclusive of fuel cost adjustment shall be the sum of the following:

a) **Demand Charge**

All kW of billing demand	\$2.25 per kW
--------------------------	---------------

b) **Energy charge**

For the first 200 kW.h per kW of billing demand	22.2¢ per kW.h
--	----------------

For the next 200 kW.h per kW of billing demand	19.6¢ per kW.h
---	----------------

For energy in excess of 400 kW.h per kW of billing demand	15.5¢ per kW.h
---	----------------

**MINIMUM  
MONTHLY BILL:**

Shall be the Demand Charge but not less than \$7.80.

**BILLING  
DEMAND:**

The billing demand may be estimated or measured and will be the greater of the following:

- a) The highest metered demand during the billing period.
- b) The highest metered demand during the 12 months ending with the current billing month, excluding the months April through September.
- c) The estimated demand.
- d) 1 kilowatt.

Copies of the Electric Service Regulations are available for inspection in the offices of The Yukon Electrical Company Limited during normal working hours.

**RIDER A****MULTIPLE RESIDENCE SERVICE****AVAILABLE:**

Throughout the Company's service area.

**APPLICABLE:**

To residential customers living in single detached family dwellings whose service covers the needs of more than a single household. Not applicable to apartments of multiple dwelling facilities.

**RATE:**

Charges for service will normally be billed at the appropriate general service rate schedule. For existing multiple residences currently served through one meter, service may be rendered under the appropriate residential rate schedule, with the minimum charge and the kilowatt-hours included in each rate block multiplied by the number of dwelling units included in customer's premises.

Revised February 28, 1989

**RIDER B**

**UNMETERED GENERAL SERVICE FLAT RATE**

**AVAILABLE:**

Throughout the Company's service area.

**APPLICABLE:**

To customers whose use is low or Intermittent.

**RATE:**

For service rendered in any one billing month, the kW.h consumption shall be determined from the nameplate rating of the customer's equipment and then calculated at the available General Service rate.

**MINIMUM MONTHLY  
BILL:**

Shall be the greater of the calculated monthly bill or the minimum of the available General Service rate.

**SPECIAL CONDITIONS:**

To obtain this rate, the customer is required to pay 100 percent of the Company's cost of providing service, including service drop, etc. Ownership of these facilities will remain with, and be maintained by the Company. Should the required extension exceed 300 metres of overhead construction, an extra flat rate amount of \$1.80 per 300 metres per month will be charged for maintenance costs.

Effective: 1990 04 01

Supersedes: 1989 04 01

## RIDER D

### TEMPORARY ADJUSTMENT RIDER

#### **PART 1**

- AVAILABLE:** Throughout the Yukon Territory.
- APPLICABLE:** To all Residential and General Service, Non-Government customers.
- RATE:** A temporary credit of 14.53% will be applied to each net bill issued between April 1, 1990 and December 31, 1990 inclusive.

#### **PART 2**

- AVAILABLE:** At all points throughout the Yukon Territory at which energy is transferred between Yukon Energy Corporation and The Yukon Electrical Company Limited.
- APPLICABLE:** To all wholesale rates charged by the Yukon Energy Corporation to The Yukon Electrical Company Limited.
- RATE:** A temporary credit of 1.38% will be applied to each net bill issued between April 1, 1990 and December 31, 1990 inclusive.
- NOTE:** Rider D Part 1 and Part 2 will be discontinued December 31, 1990.

Rider D Part 2 does not apply to Rider G.

**RIDER E**

**TEMPORARY ADJUSTMENT RIDER - UNBILLED REVENUE**

**AVAILABLE:**

Throughout the Yukon Territory.

**APPLICABLE:**

To all Residential and General Service customers.

**RATE:**

A temporary credit of 8.09% will be applied to each net bill issued between April 1, 1989 and March 31, 1990.

**NOTE:**

This Rider was discontinued April 1, 1990.

**RIDER F**

**FUEL ADJUSTMENT RIDER**

**AVAILABLE:**

To all electric service throughout the Yukon Territory.

**APPLICABLE:**

To all classes of service.

**RATE:**

Service will be rendered at the applicable rates with the following surcharge/(refund) to cover changes in the unit cost of fuel.

An adjustment of 0.00 cents per kW.h will be applied to all kW.h consumed.

**NOTE:**

The change in this Rider will change in accordance with changes in the Companies' fuel costs calculated on a unit basis by reference to kW.h sales. Such changes to the change in this Rider shall be implemented coincident with changes in the Companies' costs of fuel or at such time as is practical.

Supersedes: 1989 04 01

**FOR YUKON ENERGY CORPORATION**

**RIDER 9**

# TEMPORARY ADJUSTMENT RIDER

**AVAILABLE:** To Yukon Electrical Company Limited.

**RATE:** A temporary credit to the total wholesale cost of energy sold to Yukon Electrical. This temporary credit shall be:

Monthly Credit = 14.93% x a

where a = the sum of The Yukon Electrical Company Limited's Non-Government Residential and Non-Government General Service Base Rate Revenue.

Rider G shall be in effect for the period April 1, 1990 to December 31, 1990 inclusive.

SERVICE  
REGULATIONS:**

The Company's Electric Service Regulations approved by the Yukon Utilities Board form part of this rate schedule and apply to the Company and every customer supplied with electric service by the Company in the Yukon and British Columbia. Copies of the Electric Service Regulations are available for inspection in the offices of The Yukon Electrical Company Limited during normal working hours.

**RATE SCHEDULE ENG - 24**

**GENERAL SERVICE**

**OLD CROW DIESEL NON - GOVERNMENT**

**AVAILABLE:** In Old Crow.

**APPLICABLE:** To any use of electric energy not inconsistent with safe and adequate service to all non - government customers of the Company, except as more favorable options may apply.

**RATE:** Charges for service in any one billing month shall be the sum of the following:

a) **Demand Charge**

All kW of billing demand \$1.44 per kW

b) **Energy charge**

For the first 2,000 kW.h 10.18¢ per kW.h

For energy in excess  
of 2,000 kW.h 47.36¢ per kW.h

**MINIMUM  
MONTHLY BILL:** Shall be the Demand Charge but not less than \$8.00.

**BILLING  
DEMAND:** The billing demand may be estimated or measured and will be the greater of the following:

- a) The highest metered demand during the billing period.
- b) The highest metered demand during the 12 months ending with the current billing month, excluding the months April through September.
- c) The estimated demand.
- d) 5 Kilowatts.

..... Continued on overleaf

Rate Schedule ENG - 24 (Continued)

POWER FACTOR:

The foregoing rate is designed on the assumption that the customer will maintain a power factor of 90 percent or better during the period of his peak load. In those cases in which, by estimate or test, such power factor is not maintained, the customer's demand will be measured in kV.A and for the purposes of application of the foregoing rate, one kV.A shall be taken as one kW.

RATE  
MODIFICATIONS  
APPLICABLE:

For customers have small constant loads, whose monthly energy requirements can be estimated closely, see Rider B. For fuel adjustment Rider, see Rider F; for temporary adjustment, see Rider D; for temporary adjustment - Unbilled Revenue, see Rider E.

ELECTRIC  
SERVICE  
REGULATIONS:

The Company's Electric Service Regulations approved by the Yukon Utilities Board form part of this rate schedule and apply to the Company and every customer supplied with electric service by the Company in the Yukon and British Columbia. Copies of the Electric Service Regulations are available for inspection in the offices of The Yukon Electrical Company Limited during normal working hours.

**RIDERA**  
**MULTIPLE RESIDENCE SERVICE**

**AVAILABLE:** Throughout the Company's service area.

**APPLICABLE:** To residential customers living in single detached family dwellings whose service covers the needs of more than a single household. Not applicable to apartments of multiple dwelling facilities.

**RATE:** Charges for service will normally be billed at the appropriate general service rate schedule. For existing multiple residences currently served through one meter, service may be rendered under the appropriate residential rate schedule, with the minimum charge and the kilowatt-hours included in each rate block multiplied by the number of dwelling units included in customer's premises.

Revised February 28, 1989

**RIDER B**

**UNMETERED GENERAL SERVICE FLAT RATE**

- AVAILABLE:** Throughout the Company's service area.
- APPLICABLE:** To customers whose use is low or intermittent.
- RATE:** For service rendered in any one billing month, the kW.h consumption shall be determined from the nameplate rating of the customer's equipment and then calculated at the available General Service rate.
- MINIMUM MONTHLY BILL:** Shall be the greater of the calculated monthly bill or the minimum of the available General Service rate.
- SPECIAL CONDITIONS:** To obtain this rate, the customer is required to pay 100 percent of the Company's cost of providing service, including service drop, etc. Ownership of these facilities will remain with, and be maintained by the Company. Should the required extension exceed 300 metres of overhead construction, an extra flat rate amount of \$1.80 per 300 metres per month will be charged for maintenance costs.

RIDER F

FUEL ADJUSTMENT RIDER

AVAILABLE:

To all electric service throughout the Yukon Territory.

APPLICABLE:

To all classes of service.

RATE:

Service will be rendered at the applicable rates with the following surcharge/(refund) to cover changes in the unit cost of fuel.

An adjustment of 0.00 cents per kW.h will be applied to all kW.h consumed.

NOTE:

The change in this Rider will change in accordance with changes in the Companies' fuel costs calculated on a unit basis by reference to kW.h sales. Such changes to the change in this Rider shall be implemented coincident with changes in the Companies' costs of fuel or at such time as is practical.

Effective: 1990 04 01  
Supersedes: 1989 04 01

YUKON ELECTRICITY CORPORATION

RIDER G

TEMPORARY ADJUSTMENT RIDER

Yukon Electrical Company Limited.

Temporary credit to the total wholesale cost of energy sold  
Yukon Electrical. This temporary credit shall be:

$$\text{Monthly Credit} = 14.93\% \times a$$

where  $a$  = the sum of The Yukon Electrical Company  
Limited's Non-Government Residential and Non-Government  
General Service Base Rate Revenue.

Rider G shall be in effect for the period April 1, 1990 to  
December 31, 1990 inclusive.
