BOARD ORDER 2006-1

WHEREAS:

- A. In Order 2005-12, dated October 17, 2005, the Board ordered that:
"The current interim rates for residential and commercial customers are set as permanent effective January 1, 2005. YEC is to fund its approved 2005 revenue shortfall from the Faro Mine de-watering deferral account. The 2005 approved revenue shortfall is the maximum drawdown allowed for each of the calendar years of 2005 to 2007. YEC is to file a financial forecast by December 1, 2005, to confirm the drawdown to be approved for the 2006 calendar year and a financial forecast by November 1, 2006, to confirm the drawdown that is approved for the 2007 calendar year."
- B. In Order 2005-13, dated November 28, 2005, the Board amended Board Order 2005-12 to require the 2006 forecast to be filed "two weeks after the compliance filing."
- C. On January 20, 2006, YEC filed forecast 2006 results to "confirm the drawdown to be approved for the 2006 calendar year."

NOW THEREFORE the Board orders as follows:

- 1. The Board will be submitting Information Requests related to the 2006 forecast to YEC by Tuesday, February 28, 2006.
- 2. Responses to Information Requests will be due to the Board and all Registered Intervenor in the proceeding related to the Rate Application by Yukon Energy Corporation for Approval of 2005 Revenue Requirements by 4:00 pm on Tuesday, March 14, 2006.

3. Responses from Registered Intervenors, related solely to the appropriateness of the proposed drawdown to be approved for 2006 will be due to the Board by 4:00 p.m. on Tuesday, March 21, 2006.
4. Reply responses by YEC will be due to the Board by 4:00 p.m. on Tuesday, March 28, 2006.
4. Participation in this proceeding will not be subject to cost recovery.

DATED at the City of Whitehorse, in the Yukon Territory, this 23rd day of February 2006.

BY ORDER
