In Appendix A to that Board Order, the Board directed YEC to file a separate two-part application to comply with the direction from the Yukon Court of Appeal and further directions from the Board.
- B. The Board issued a letter dated December 15, 2017 in which it indicated that Part 1 of YEC's two-part application should be tested in a separate proceeding and through a written process. The Part 1 Application related to the ERA for the 2012-2016 period (Application). The Board requested procedural comments from interveners by January 16, 2018, and reply comments from YEC by January 23, 2018.
- C. The Board received comments from the Utilities Consumers' Group (UCG), the City of Whitehorse, and ATCO Electric Yukon (AEY) on January 16, 2018. Reply comments were received from YEC on January 19, 2018.
- D. The Board issued Board Order 2018-01 on January 29, 2018, outlining a written process which included information requests and responses and written final and reply arguments for the Application.
- E. The Board has considered the Application, the information responses, written argument and reply argument of the parties in this proceeding.

NOW THEREFORE, based on the reasons set out in Appendix A attached to this Order, the Board approves:

1. The ERA amounts as submitted by YEC for each of the years 2012 to 2016 as final.
