BOARD ORDER 2021-04

WHEREAS:

- A. On November 20, 2020, Yukon Energy Corporation (YEC) filed an application with the Yukon Utilities Board (Board), pursuant to the *Public Utilities Act*, and Order-in-Council 1995/90 requesting an order approving a forecast revenue requirement for 2021 (Application);
- B. The Board issued Board Order 2020-04 on December 14, 2020, in which the Board set out a process schedule;
- C. The Board set a deadline of February 18, 2021 for Yukon Energy Corporation (YEC) to respond to Information Requests (IRs);
- D. A motion was filed on February 9, 2021 by the Utilities Consumers' Group (UCG) requesting that the Board direct YEC "...to file each and every response with complete answers with no reference such as see response to other IRs or other references";
- E. In correspondence to the Board dated February 16, 2021, YEC requested an extension to the deadline to file IR Responses to March 4, 2021, indicating that approximately 920 IRs were submitted, and that "...it is clear that due to the volume of responses, the detailed nature of some of the request and the resources available at this time, Yukon Energy will be unable to complete and deliver all responses within the timeframe provided"; and

- F. The Board has considered UCG's motion and YEC's request for extension to file IR responses.

NOW THEREFORE, the Board orders as follows:

1. The Board grants YEC's request to extend the time to file IR responses until March 4, 2021.
2. The Board denies UCG's motion, as the format in which YEC responds to IRs in terms of duplication of responses or the cross-referencing of responses is more practical in the present circumstances.

DATED at the City of Whitehorse, Yukon, this 18th day of February 2021.
