### BOARD ORDER 2022-11

#### WHEREAS:

- A. On July 18, 2022, ATCO Electric Yukon (AEY) submitted an application to the Yukon Utilities Board (Board) regarding rate relief in the Yukon (Application).
- B. The Application seeks approval of two proposals related to rate relief:
  - (1) Approval to refund the balance accumulated in AEY's Rate Case Reserve account to residential and commercial non-government customers via a new Rider Y effective November 1, 2022 through February 28, 2023; and
  - (2) Approval of AEY's proposed Rider R revenue refund rate relief mechanism to residential and commercial non-government customers. The rate relief would be the equivalent of Rider R revenue that is specifically recovered from industrial customers in Yukon Energy Corporation's service territory served under Rate Schedule 39, Industrial Primary ("Rider R Industrial Revenue"). This Rider R would be effective the first day of the month following a Board Decision on this matter.
- C. On August 2022, the Board issued Board Order 2022-09 which set out a process schedule for the Application. Interested parties were to register with the Board by August 23, 2022 to participate in this proceeding.
- D. The Board received requests for intervener status from John Maissan, Utilities Consumers' Group, and Yukon Energy Corporation.

E. The Board has considered the requests for intervention and accepts the requests.

**NOW THEREFORE**, the Board orders that:

Intervener status has been granted to the following:

- John Maissan
- Utilities Consumers' Group
- Yukon Energy Corporation

**DATED** at the City of Whitehorse, Yukon, this 29<sup>th</sup> day of August 2022.
