## Memorandum

**To:** Registered Participants  
YECL 2013-15 GRA

**From:** Deana Lemke  
Executive Secretary, Yukon Utilities Board

**Re: YECL GRA Hearing – extension of hearing dates**

The Yukon Utilities Board (Board) has received an inquiry from YECL respecting the adequacy of the scheduled hearing dates, suggesting that due to the volume of IRs and the timing required for examination and cross-examination, a further day should be added to the hearing scheduled for November 4 to 6, 2013.

The Board is inviting comments on potentially adding November 7 as a further hearing date, if required. Parties are requested to provide any comments by October 23, 2013.
