Dear Mr. Rondeau:

RE: Part 3 Review of the CS Transmission Line Project

It is my pleasure to advise you that PIAC is available to be retained as legal counsel to the Utilities Consumers Group for the upcoming Part 3 Review of the CS Transmission Line Project, scheduled to be heard between May 15 to May 17, 2007. As per our previous engagement I will be the lawyer handling the file. I am working on resolving potential scheduling conflicts with previous engagements before the Ontario Energy Board; I hope to confirm within the next week my availability for the hearing.

As with our previous arrangement it is our understanding that our costs will be funded through recovery from the applicant as part of the hearing process, and that 100% of the costs awarded in respect of PIAC's claim will be paid directly to PIAC.

Yours very truly,

Michael Buonaguro
