Dear Ms. McCullough,

**Re: Reconsideration of Forecast Costs of Rental Diesel Units Without Air Emission
Permits in Yukon Energy Corporation 2023-2024 General Rate Application**

Thank you for your correspondence of February 25, 2026, regarding the reconsideration of Board Order 2024-05 on the Yukon Energy Corporation (YEC) 2023-2024 General Rate Application and Appendix A: Reasons for Decision.

As your letter indicates, section 50 of the *Public Utilities Act* requires written approval in advance of any inquiry or public hearing. I hereby authorize the Yukon Utilities Board to conduct the proceedings that are considered necessary for this review, and I approve necessary expenditures for the Board's review and reporting. I also recognize that under section 56 of the *Public Utilities Act* the Board can make an order to recover the costs of the proceedings that it considers appropriate.

Yours truly,

The Honourable Laura Lang
