Re: Request for Extension, Board Order 2026-06, Reconsideration of YEC 2023-24 GRA

I am writing to request an extension to the March 30 deadline for IRs to YEC on the additional evidence. I have been waiting for the attachments to the additional evidence to become available for review, but they are still not available.

I was unable to download the attachments, and the Board has also experienced issues with them. They are not available on the Board's website.

As I have prior commitments during the first weeks of April, I request that the deadline be extended to April 30.

Thank you for your consideration.
